College of Business

*Business Ready*®

Join WCU, The Jackson County Chamber of Commerce and McGuire Wood & Bissette law firm for a morning of legal education for members of business community. Topics include:

### Top 10 Employment Mistakes to Avoid

Learn how to correct or avoid common mistakes business owners make and protect yourself, your business and one of our most important assets-your employees.

### Employment Law Update

Employment law attorneys will share real-life case studies to help you learn how changes in State and Federal law may impact your business in 2023.

### Business Succession

Estate planning attorneys discuss this multi-faceted process and the many strategies which can be used in planning for life's business transitions as part of an intentional exit strategy or upon death, including the role of key employees and asset protection.
