

# Chamber Patron \$100.<sup>00</sup> per year

The Jackson County Chamber of Commerce  
would like to invite you to become a **Chamber Patron**.

## Why should I be a patron?

This is a great way to stay connected in the community by networking while also supporting a non-profit organization that provides so many services and events to Jackson County and its citizens.

We are a non-profit. We need your support so we can continue to bring the community events like Concerts on the Creek, July 4 Fireworks, Friends Night Out, Holiday Fireworks, Chamber Connects, and more!

If you think we're old, you should see our office! It's always in need of some maintenance, so your membership will help support proper repairs and updates to our 120-year-old historic home!

## What do I receive as a patron?

- You will be a **REAL** chamber member. You can come to all Chamber-member-only events and receive all communications we send to our chamber members.
- You will be listed on our website and in our annual membership directory as a valued patron member.
- You will be able to network with all of our chamber members at events such as Chamber Connects, our annual holiday party, some ribbon cutting/grand opening celebrations, and more!
- We have FUN and are always looking for volunteers, ambassadors & friends in Jackson County!
- Want to join with your spouse? Sure! Couples can be patrons for only \$175, which is a \$25 discount.

## OK, I'm in. How do I become a chamber patron?
